Dietician, Nursing Home Administrator, Occupational Therapist, Physical Therapist, Physician Assistant and Social Worker continuing education credits are no longer pre-approved. It is up to the individual to determine, based on the administrative rules on criteria, which workshops would fulfill his/her requirements. If and when you are audited, you would produce the program, handouts, and your verified attendance certificate from the conference.

Here is a link to the Administrative Rules where you can view all of the requirements of continuing education for the following disciplines.
