500,000 +

Number of Access service units provided

680,000 +

Number of Home & Community Based service units provided

Note: Total Unduplicated Consumers is an unduplicated count for all or a specific service. In other words, if you add the total number of Consumers from all services it is higher than the actual number of persons served across all services, because some people need and receive more than one service. Case Management includes 620 consumers receiving case management services funded only by the Elderly Waiver Program.

Both Federal and Iowa rule prohibits client registration for persons receiving Legal Assistance.
